

Teens With a Purpose “Metamorphosis” Event

Teens With a Purpose’s recent community event, called “Metamorphosis”, conducted at Lake Taylor High School, with key note speaker, “Today” show co-host Al Roker, helped Norfolk teens to begin to examine unhealthy behaviors that put them at risk of being a victim or victimizer of dating abuse. He said his 22-year-old daughter has been the victim of dating violence, so he is familiar with the problem.
